

## **Training and Management Consultancy Internship**

We are:

- consultants
- based in Paris and London
- leading experts in management and training consultancy
- specialized in the design and the implementation of strategic projects for major global organisations

We have:

- a high-skilled team
- prestigious customers such as: L'Oreal, Tesco, Axa, Microsoft, Accor...
- a rapidly increasing turnover
- great dreams and ambitions
- and the strong belief that the best chance of progress lies in potential of people

We love:

- our work, our motto is "Have Fun Every Day"
- our clients, whom we choose as much as they choose us
- true tailor-made work
- to think simply and in a "down-to-earth" fashion

We don't like:

- taking ourselves too seriously
- restricting ourselves
- staying still

Internship :

We are looking for trainees for both our Paris and London offices. You must be willing to join us from September 2009 and for six months at least. You will participate in a wide range of our business activities as junior consultants, supporting our senior consultants. You will have the opportunity to meet with demanding partners and discuss HR and management issues in world-class companies.

Ideal candidate will:

- Be a student from one of the top Business Schools
- Already have some experience working in a world class company
- Be able to think in a rigorous and structured manner and have excellent written and oral communication skills
- Be very curious
- Be fluent in English
- Want to learn

But also has:

- Lots of friends, thanks to your capacities to listen and communicate
- So much energy and enthusiasm that you wear out your colleagues and friends
- The will to use all your skills and talents
- The need to be proud of your internship and its achievements

You want to find in your internship:

- Passion: to do stimulating work
- Stakes: bring added value on a daily basis to world class companies
- Generosity: have a positive impact on lots of different people's lives.

.... If so, please join us!
